Our business is open 7 days/week (Monday to Sunday) and requires flexibility to schedule daytime shifts, on different days of the week.

Why Join Us?

At **Star Building Materials**, we offer an exciting place to build your career, with:

- Competitive compensation and benefit packages
- Educational assistance program
- Company matching RRSP/DPSP program
- Employee home purchase program
- Employee discounts.

Requirements

- Completion of middle school, must be able to read and write and perform basic math.
- Minimum 6 months of experience in forklift operation.
- Satisfactory verification of criminal record check.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 50 lbs.

Preferred Qualifications

- Previous forklift training and certification is preferred.

Job Overview

Reporting to the Operations Manager, as the **Forklift Operator** you will gather and move incoming and outgoing materials to their desired locations via the safe, accurate and efficient operation of forklift.

Your day-to-day responsibilities will include:

- Operating a diesel, electric or propane powered forklift to safely move goods.
- Assembling customer orders, shrink wrapping and packing to ensure proper packages for delivery. Inspecting and verifying finished shipping packages for accuracy and quality.
- Checking order lists, verifying product accuracy when loading and unloading shipments, and ensuring all documents are verified and forwarded. Indicating any products that are to be back ordered.
- Supplying production areas, such as joist and truss, with feedstock materials. Ensuring sufficient raw materials are available at the station in an organized manner.
- Checking product counts and assisting in conducting regular inventories.
- Performing regular inspection and maintenance of equipment, and reporting major mechanical

- problems when necessary.
- Working safely, promoting a safe work environment, and complying with Qualico's Safety Program. Reporting safety violations when necessary.
- Assisting in training new employees when required.

Work Conditions

You primarily work outdoors during regular business hours. Work includes exposure to potential occupational hazards as well as dealing with inclement weather, dust and noise. Occasional weekend or evening work may be required. Actions taken and decisions made directly impact the safety and health of others. Overtime may be required during the busy season.
