

Title: Siding and Roofing Estimator

Location: 5651 70 St NW, Edmonton

Job Overview

We are seeking a full-time **Siding and Roofing Estimator**. Are you an experienced professional with a passion for accuracy and attention to detail? Our building envelope company is looking for a skilled Estimator to join our team and help bring our clients' visions to life. In this role, you will play a crucial role in the success of our projects by providing accurate and detailed cost estimates, ensuring that our projects are completed on time and within budget.

Your day-to-day responsibilities will include:

- Analyzing blueprints, specifications, and other project materials to identify potential cost savings.
- Preparing materials, labour and equipment cost estimations necessary to successfully carry out a siding and/or roofing project according to proposals, plans, estimates, and specifications.
- Providing cost estimates to clients, contractors, and other stakeholders for review and approval.
- Collaborating with Project Managers and other team members to ensure that cost estimates are accurate and comprehensive.
- Preparing and maintaining a list of suppliers, contractors and subcontractors.
- Reviewing proposal specifications and drawings to determine scope and required contents of the estimate.
- Supporting other department personnel as required which may include preparing estimates for other disciplines.
- Ensuring that all estimates are compliant with company standards, client requirements, and industry standards.

As our ideal candidate, you are...

- A strong communicator; you clearly express your thoughts in conversation as well as write and present in a persuasive and influencing manner.
- A creative thinker; you identify new ideas, techniques and opportunities to improve performance and productivity.
- A leader; you develop and improve the skills of others through effective coaching and guidance.
- A creative problem solver; you think outside the box for solutions without fear of failure.

Essential Requirements

- 2 years minimum experience in roofing and siding estimation.
- Strong knowledge of siding and roofing installation processes and techniques.
- Ability to read and interpret blueprints and construction documents.
- Proficient with estimating software (Stack, On-Center, Bluebeam, etc.), Microsoft Office Suite, and manual estimation skills.
- Previous experience with measuring sloped roofs and materials take-offs.

Working Conditions

You primarily work in an office environment during regular business hours. Occasional overtime may be required.
