

Title: Journeyperson Sheet Metal

Location: Winnipeg and surrounding communities

At Star Mechanical, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and employee discounts.

Job Overview

Reporting to the Manager, as the **Journeyperson Sheet Metal** you will install, maintain and repair heating, ventilation and cooling systems in both residential and commercial properties.

Your day-to-day responsibilities will include:

- Reviewing project documents to clarify any inquiries relative to designs and specifications. Conducting project site reviews prior to commencing work.
- Installing and servicing various residential and/or commercial HVAC equipment, and performing duct work as required. Ensuring projects are completed efficiently and meet quality standard.
- Responding quickly and efficiently to Service calls, documenting and completing service reports as required.
- Working safely and complying with Qualico's Safety Program and relevant safety regulations.
- Supporting and providing guidance to other team members as necessary.

As our ideal candidate, you are...

- Organized; you effectively manage your time while balancing multiple priorities.
- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- An active listener; you seek to understand and listen to others.

Essential Requirements

- HVAC Journeyperson Certification.
- High school Diploma, or equivalent.
- Minimum 3 years of HVAC installation and repair experience.
- Valid driver's licence and access to reliable vehicle.
- Strong problem-solving skills to diagnose and troubleshoot issues with HVAC equipment and systems.
- Strong written and verbal communication skills.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 50lbs.
- Satisfactory verification of criminal record check.

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.

- Taking responsibility for the outcomes of decisions and actions.
- Stay current on technical job skills.

Work Conditions

You primarily work on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Overtime and being on call evenings and weekends may occasionally be required.

About Us

Star Mechanical is an independent, wholly owned division of Qualico. The company serves the Winnipeg and surrounding area with premium plumbing and heating installation, repair and replacement services. To learn more, click [here](#).
