Preferred Qualifications

- Previous experience working with building materials is good to have.
- Ability to operate a manual transmission is preferred.
- Ability to maneuver a trailer is a strong asset.
- Crane experience is an asset.
- Experience with rigging, load securement is an asset.

Job Overview

Reporting to the Logistics Manager, as the **Class 3 Driver** you are responsible for delivering building materials to customer homes or construction sites. The Truck Driver loads, transports and unloads materials manually.

Your day-to-day responsibilities will include:

- Providing excellent customer service to all customers as a representative of the company.
- Loading trucks in a safe and timely manner, minimizing down time in the yard.
- Assisting forklift operators loading trucks as needed.
- Verifying accuracy of shipping documents.
- Delivering materials via the most efficient route to remain on schedule.
- Operating delivery units with courtesy and according to provincial regulations.

Work Conditions

You primarily work outdoors on job sites during regular business hours. Work is mobile with exposure to potential accidents or occupational hazards as well as dealing with inclement weather, heights, dust and noise. Occasional weekend or evening work may be required. Actions taken and decisions made directly impact the safety and health of others. Overtime may be required during the busy season.

About Us

Star Building Materials is an independent, wholly owned division of Qualico. Since 1958, Star Building Materials has sourced, manufactured, and supplied quality building materials to builders, developers, renovators, and homeowners. It is our mission to innovate within the construction industry, exploring new methods to help you reduce waste, increase efficiency, and manage project costs.

None of this would be possible without people. We hire only the most forward-thinking, experienced, and passionate staff to serve your building needs. We care deeply about the quality of the products and service you receive, and we invest in our relationships both with our employees and our customers. We aim to reach beyond minimum standards of safety and environmental concerns.

We serve our clients with some of the most innovative building solutions available, including framing and finishing materials, engineered wood floor systems, trusses, drywall, insulation, and a wide selection of related supplies. To learn more, click [here](#).

Qualico welcomes applications from people with disabilities. Accommodations are available upon request during the assessment and selection process.

Candidates being considered will be contacted. We thank you for your interest. Join our [Talent Community](#) to stay up to date on job opportunities and to find out why we have the best reason to come to work every day.
