

Title: Sheet Metal Apprentice

Location: Winnipeg and surrounding communities

At Star Mechanical, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and employee discounts.

Job Overview

Reporting to the Manager, as the **Sheet Metal Apprentice** you will install, maintain and repair heating, ventilation and cooling systems in residential properties.

Your day-to-day responsibilities will include:

- Installing, troubleshooting and overhauling the entire heating, ventilation and air conditioning (HVAC) systems.
- Reviewing and interpreting blueprints, drawings and other specifications to comprehend the project requirements prior to commencing work.
- Measuring and laying out reference points for installation in an accurate manner.
- Verifying and preparing materials required for projects, ensuring accurate material type and quantity.
- Working safely and complying with Qualico's Safety Program and relevant safety regulations.

As our ideal candidate, you are...

- Organized; you effectively manage your time while balancing multiple priorities.
- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- An active listener; you seek to understand and listen to others in a non-judgmental way.

Essential Requirements

- Completion of Sheet Metal Apprentice and/or working towards HVAC Journeyman Certification.
- High school Diploma, or equivalent.
- Prior experience working in HVAC installations and repairs in the Residential Homebuilding industry is required relative to the Apprentice level.
- Valid Driver's licence and access to reliable vehicle.
- Satisfactory verification of criminal record check.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 50lbs.

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Staying current with technical job skills.
- Taking responsibility for the outcomes of decisions and actions.

Work Conditions

You primarily work on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Overtime may occasionally be required.

About Us

Star Mechanical is an independent, wholly owned division of Qualico. The company serves the Winnipeg and surrounding area with premium plumbing and heating installation, repair and replacement services. To learn more, click [here](#).
