

Title: Construction Safety Advisor

Location: 5651 70 St NW, Edmonton

Job Overview

Reporting to the HSE Manager as the **Construction Safety Advisor** you are responsible for monitoring and enforcing compliance with Empire's Safety Program at all assigned work sites. You also promote a safe and healthy workplace culture, and leverage opportunities to continually improve workplace safety.

Your day-to-day responsibilities will include:

- Conducting site and location safety inspections to assess and document all information into the safety inspection system.
- Rectifying any unsafe conditions or acts, and taking immediate measures to mitigate risks and hazards when necessary.
- Leading safety orientations for new employees. Enforcing policies and legislative requirements to trades and all individuals assigned to company sites/facilities.
- Maintaining updated documentation of the work site Joint Safety & Health committee meetings for assigned work sites and locations.
- Administering first aid as required and appropriate.
- Assisting in the implementation of internal and external Certificate of Recognition (COR) audits.
- Investigating workplace incidents and reports of hazardous acts or conditions in accordance with Safety Program requirements.
- Evaluating the effectiveness of the Safety Program procedures, and initiating changes for continuous improvement.

As our ideal candidate, you are...

- Organized; you effectively manage your time while balancing multiple priorities.
- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- An active listener; you seek to understand and listen to others in a non-judgmental way.
- Detail oriented; you focus on detailed accuracy when dealing with a high volume of work.
- A team player; you contribute as a team member and share equally in the exchange of ideas, concepts and process outcomes.

Essential Requirements

- High school diploma or equivalent.
- National Construction Safety Advisor (NCSO) Certification.
- ACSA courses (up to date).
- Standard First Aid Certification.
- Minimum 3 years of experience in the construction industry.
- Valid driver's licence with clean driver's abstract.
- Satisfactory verification of criminal record check.
- Comfortable using office equipment and Microsoft Office Programs (Outlook, Word, Excel, Teams, SharePoint and PowerPoint). Familiarity with site docs and/or other safety online portals.

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Staying current with technical job skills.
- Taking responsibility for the outcomes of decisions and actions.

Work Conditions

You work in an office as well as field travel during regular business hours. Overtime may occasionally be required.
