

## SAMBROOK BUILDERS

Since starting as a duo, we've expanded into a skilled team of over 60 carpenters, dedicated to becoming frontrunners in the carpentry field. We consistently deliver precision, efficiency, and top-notch quality on every project. Our experience spans a wide range, from small single-family residences to expansive multi-family townhomes and even luxurious 8,000 sq. ft custom homes, demonstrating our versatility in handling projects of all sizes and complexities..

Our work environment includes:

- Growth opportunities
- On-the-job training
- Safe work environment

Looking for an exciting opportunity to advance your carpentry skills and become a red seal carpenter? Sambrook Builders is currently hiring apprentice level and ticketed carpenters to join our team. We need individuals who are self-starters, highly motivated, competent, and reliable. This full-time permanent position starts immediately and offers work through 2026 and beyond.

To apply, you must have a valid driver's license, your own reliable mode of transportation, and basic framing tools. You should be able to work independently and meet deadlines. You **NEED** to have prior carpentry experience to apply.

At Sambrook Builders, we prioritize employee growth and offer apprenticeship schooling opportunities to the right individuals. With our rapid growth, there are many exciting opportunities for you to advance within the company and be challenged in new roles.

Don't miss out on this chance to join our team and take your carpentry skills to the next level!
