

Title: Carpenter (Multi-family residential construction)

Location: Winnipeg and surrounding areas.

At StreetSide Developments, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and employee discounts.

Job Overview

Reporting to the Construction Manager, as the **Carpenter** you will perform carpentry activities on residential construction sites. You also assist in ensuring construction of homes follow established design and quality.

Your day-to-day responsibilities will include:

- Reading and interpreting project drawings and specifications, ensuring construction complies with building and safety codes.
- Constructing walls, roofs and floors. Installing fire-stopping and worker-related safety devices and hardware.
- Building and maintaining fences or barriers to keep the general public safe from hazardous work areas.
- Completing required repairs and handling general deficiencies.
- Complying with Qualico's Safety Program and relevant safety legislation. Immediately reporting incidents or near-miss incidents to the Site Superintendent.
- Ensuring ladders, scaffolds and other devices are properly certified and in good working order.
- Maintaining cleanliness of construction sites, organizing materials, and disposing debris.
- Completing other tasks as assigned.

As our ideal candidate, you are...

- Organized; you effectively manage your time while balancing multiple priorities.
- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- An active listener; you seek to understand and listen to others in a non-judgmental way.

Essential Requirements

- High School Diploma, or equivalent.
- Minimum 1 year of carpentry experience, Journey person or Apprentice.
- Knowledge of building codes and requirements as well as varying techniques for different construction processes and procedures.
- Valid driver's licence and access to a reliable vehicle.
- Satisfactory verification of criminal record check.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 50lbs.
- Physically able to carry out basic construction duties.

Preferred Requirements

- Red Seal certification not required but is good to have.
- Prior experience working in the Residential Construction industry is an asset.

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Staying current with technical job skills.
- Taking responsibility for the outcomes of decisions and actions.

Work Conditions

You primarily work on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Overtime may occasionally be required.
