Title: Spray Foam Technician

Location: Office location - #1, 2315 – 30th Avenue NE, Calgary and surrounding areas.

What We Offer

- Competitive compensation and benefits package including RRSP matching.
- The opportunity to contribute to a growing organization with a strong reputation for excellence.
- A professional and collaborative work environment.

Job Overview

We are seeking a full-time **Spray Foam Technician** in Calgary. You will be responsible for preparing, applying, and inspecting spray foam insulation in accordance with project specifications while maintaining high quality, safety, and communication standards. The Spray Foam Technician requires effective teamwork, equipment maintenance, and professional interaction with clients, supervisors, and trade partners.

Your day-to-day responsibilities will include:

- Applying spray foam insulation to various surfaces, including walls, ceilings, and floors as per specifications indicated on work orders.
- Inspecting completed work for quality and making necessary adjustment (QAQC)
- Mixing and handling spray foam materials according to manufacturer specifications.
- Operating and maintaining spray foam equipment, including generators, compressors, reactors, painters, air dryers, spray guns, and any other equipment needed to complete your scopes.
- Ensuring accurate vehicle inspections are completed daily and any pertinent information is relayed to the appropriate parties immediately.
- Maintaining transparent communications with the Spray Foam Manager, at all times.
- Communicating effectively with clients, project managers, as well as our in-house supervisions teams.
- Ensuring respectful, professional communications take place amongst all members of all Empire teams.
- Maintaining accurate records of work performed, including materials used and job site conditions (DWR, Inventory).
- Following safety protocols and wearing appropriate personal protective equipment (PPE).
- Working with all team members and divisions, as needed.
- Protect the high-quality standards of Empire Drywall Ltd. and ensuring that all work performed meets or exceeds these standards.
- Working with all team members and divisions to complete all scopes each day is mandatory. Ensuring proper communication with other crews prior to leaving job site so everyone is leaving at a similar time unless other arrangements have been made prior.
- Representing Empire Drywall when dealing with builders, homeowners, and trades.
- Providing feedback to direct manager regarding our work, our trades, trade damage, site conditions, builder issues, etc.

Essential Requirements

- Diploma, Certification or equivalent in spray foam application.
Minimum 1-year relevant experience as a Spray Foam Applicator or in a similar role.
- Knowledge of spray foam application techniques and safety procedures.
- Great communication skills and problem resolutions.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects.
- Comfortable using related tools and equipment.
- Attention to detail, good hand-eye coordination and situational awareness of physical work environment.
- Class 5 drivers license with a clean drivers abstract.

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Taking responsibility for the outcomes of decisions and actions.
- Staying current with technical job skills.

Working Conditions

You primarily work on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Overtime may occasionally be required.
