

Title: Assistant Site Superintendent (residential construction)

Location: Calgary and surrounding area.

At Broadview Homes, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and employee discounts.

Job Overview

Reporting to the Director, Construction and Warranty, as the **Assistant Site Superintendent** you will oversee on-site construction activities and assist in ensuring construction follows established design and quality. You also enforce compliance with health and safety regulations.

Your day-to-day responsibilities will include:

- Ensuring sites are clean, safe and secure. Installing and maintaining temporary walkways, stairs, ramps, and handrails, ensuring the safe access and egress to construction sites.
- Liaising and maintaining positive relationships with trade partners and suppliers. Monitoring work and ensure it meets Qualico's standards and all building and safety code requirements.
- Completing repairs and handling general deficiencies, such as framing, painting, window installation etc.
- Supporting the Site Superintendent in monitoring project progress and schedules, and completing regular progress reports, checklists, log book entries and other reports as required.
- Supervising and providing guidance to onsite team members. Ensuring clear direction is given and work is carried out in a safe manner.
- Following instructions from the Site Superintendent and completing other tasks as required.
- Promoting a safe work environment and ensuring all employees and trades work in a safe manner and follow Qualico's Safety Program and relevant safety legislation.

As our ideal candidate, you are...

- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- A creative thinker; you identify new ideas, techniques and opportunities to improve performance and productivity.
- A leader; you develop and improve the skills of others through effective coaching and guidance.
- A creative problem solver; you think outside the box for solutions without fear of failure.

Essential Requirements

- High School diploma, or equivalent.
- Minimum of 1 year experience in residential new home construction.
- Understanding of construction processes and procedures.
- Valid driver's licence and access to a reliable vehicle.
- Physically able to carry out basic construction duties.
- Satisfactory verification of criminal record check.
- Comfortable using office equipment, Microsoft Office programs (Outlook, Word, Excel, Teams), and construction management software (BuildPro, NewStar or similar).

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.

- Cooperating with team members in an open, positive and respectful manner.
- Taking responsibility for the outcomes of decisions and actions.
- Staying current on technical job skills.

Work Conditions

You primarily work on-site Monday to Friday, during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Travel to the regional office or other site locations is required. Overtime may occasionally be required.
