- Attention to detail, good hand/eye coordination and situational awareness of physical work environment.

Preferred Qualifications

- Previous experience working with building materials is an asset.

Job Overview

Reporting to the Logistics Manager, as a **Class 1 or 5 Driver**, you load, deliver and unload building products to various customer sites. You are also responsible for keeping the equipment they operate in good working condition. You operate the truck mounted crane, unloads shingles onto the roof, and deliver drywall.

Your day-to-day responsibilities will include:

- Providing excellent customer service to all customers as a representative of the company.
- Loading truck in a safe and timely manner, minimizing down time in the yard. Assisting forklift operators to load trucks as needed.
- Verifying accuracy of shipping documents.
- Delivering materials via the most efficient route to remain on schedule.
- Taking photos for proof of undamaged, complete and correctly placed delivery.
- Adhering to Star's Safety Programs and standard operating procedures at all times.
- Keeping equipment clean and in good operating condition, including completion of daily pre-trip inspections.

Work Conditions

You primarily work outdoors during regular business hours. Work is mobile with exposure to potential accidents or occupational hazards as well as dealing with inclement weather, heights, dust and noise.

Occasional weekend or evening work may be required. Actions taken and decisions made directly impact the safety and health of others. Overtime may be required during the busy season.

About Us

For more than four decades, Star Building Materials has dedicated itself to excellence and innovation in the construction industry. We explore new processes and methods to help you improve efficiency, manage project costs, and reduce waste, while developing new manufacturing methods to continually improve the quality of our products.

Formerly known as Leduc Truss, we proudly joined the Qualico Group in 2006. As one of Western Canada's largest real estate development companies, Qualico represents the longevity and commitment to service we value, allowing us to remain a trusted supplier of building components with the strength of Qualico behind us.

Our new 35,000 square foot production facility is equipped to design and manufacture quality roof trusses and engineered wood products for your residential, commercial, or agricultural projects. We employ forward-thinking staff with the expertise to maximize your profits and enhance the quality of your buildings.

Proudly serving the Greater Edmonton Area, Central, and Northern Alberta regions. To learn more, click [here](#).

Qualico welcomes applications from people with disabilities. Accommodations are available upon request during the assessment and selection process.

Candidates being considered will be contacted. We thank you for your interest. Join our [Talent Community](#) to stay up to date on job opportunities and to find out why we have the best reason to come to work every day.

Closing date February 20, 2026
