- Establishing standardized drafting practices, details and templates for CAD drawings.
- Qualifying materials required for projects and processing purchase orders.
- Maintaining accurate and up-to-date record-keeping system, including pricing and product information.
- Providing administrative support to other projects or duties as assigned.

As our ideal candidate, you are...

- Organized; you effectively manage your time while balancing multiple priorities.
- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- An active listener; you seek to understand and listen to others in a non-judgmental way.
- Detail oriented; you focus on detailed accuracy when dealing with a high volume of work.
- A team player; you contribute as a team member and share equally in the exchange of ideas, concepts and process outcomes.

### **Essential Requirements**

- Post-secondary education or certificate in Drafting, Computer Aided Design (CAD), Auto CAD Technician or related field.
- Proficiency with AutoCAD is required.
- Proficient in Microsoft Office programs (Outlook, Word, Excel, Team, SharePoint and PowerPoint).
- Valid driver's licence and access to a reliable vehicle.
- Satisfactory verification of criminal record check.

### **Preferred Qualifications**

- Prior drafting experience would be an asset.

### **What We Value**

- Creating trusting and successful working relationships.
- Staying current with technical job skills.
- Cooperating with team members in an open, supportive and respectful manner.
- Setting clear, measurable and achievable goals.
- Taking responsibilities for the outcomes of decisions and actions.

**Working Conditions**

You primarily work in an office setting during regular business hours. Travel to work sites within the city and surrounding areas may be required. Overtime may occasionally be required.
