Job Overview

Reporting to the Manager, Design and Estimating, as the **Designer** you will assist customers with design selections and finalize working plans. You also act as a resource for all design related matters and provide expertise to facilitate the overall project design.

Your day-to-day responsibilities will include:

- Assisting customers with design selections, compiling and maintaining all meeting notes.
- Preparing preliminary plans and confirming with customers for the creation of final working plans.
- Informing the Sales team and Estimators of any changes and providing customers with the costs associated with the change requests.
- Creating accurate working drawings and obtaining applicable permits, including Engineer's seal as required.
- Attending pre-construction meetings to identify and provide recommendations for the overall project design.
- Addressing project specific inquiries for customers and contractors to ensure delivery of excellent service.

As our ideal candidate, you are...

- A strong communicator; you clearly express your thoughts in conversation as well as write and present in a persuasive and influencing manner.
- An active listener; you seek to understand and listen to others in a non-judgmental way.
- Mindful; you respect diversity and deal with sensitive situations using high degree of integrity.
- Excellent service oriented; you handle relations with customers, internal and external parties with tact and diplomacy.
- A creative problem solver; you think outside the box for solutions without fear of failure.

Essential Requirements

- Diploma or Degree in Architectural Technology, or a related field.
- Minimum 1 year of experience in residential design, drafting, or a customer-focused design environment.
- Satisfactory verification of criminal record check.
- Proficient in Microsoft Office programs (Outlook, Word, Excel, Teams, SharePoint and PowerPoint), architectural drafting software (AutoCAD, SoftPlan) and Adobe Creative Suite (Illustrator, InDesign, and Photoshop).

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Taking responsibility for the outcomes of decisions and actions.
- Staying current with technical job skills.

Working Conditions

You primarily work in an office setting during regular business hours. Overtime may occasionally be required.
