

Title: Saw Operator - Lumber

Location: 16 Speers Road, Winnipeg

At Star, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and employee discounts.

Job Overview

Reporting to the Operations Manager, as the **Saw Operator - Lumber** you are responsible for cutting lumber accurately according to order specifications using a variety of saws. You work in a safe manner, and adhere to Qualico's Safety Program.

Your day-to-day responsibilities will include:

- Reviewing work instructions and determining the accurate lumber required for the job.
- Inspecting quality and storing lumber in designated areas. Replenishing and organizing raw materials at the station.
- Ensuring lumber is sawed accurately according to specified dimensions and angles.
- Examining work orders to determine appropriate procedures and proper setup of equipment.
- Working safely and complying with all health and safety procedures and policies.

As our ideal candidate, you are...

- Organized; you effectively manage your time while balancing multiple priorities.
- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- An active listener; you seek to understand and listen to others in a non-judgmental way.

Essential Requirements

- Completion of middle school, must be able to read and write and perform basic math.
- Minimum 6 months of experience operating table saw, shop saw and radial arm saw.
- Satisfactory verification of criminal record check.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 50lbs.
- Attention to detail, good hand-eye coordination, and situational awareness of the physical work environment.

Preferred Qualifications

- Previous experience using a variety of tools such as nail guns, saws and banding machines is definitely an asset.
- Working in a production plant with lumber is an asset.

What We Value

- Creating trusting and successful working relationships.
- Taking responsibility for the outcome of decisions and actions.
- Cooperating with team members in an open, supportive and respectful manner.
- Setting clear, measurable and achievable goals.
- Staying current with technical job skills.

Working Conditions

You primarily work on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Overtime may occasionally be required.
