

Title: Warranty-Service Technician (residential construction)

Location: Calgary and surrounding areas

At Sterling Homes, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and employee discounts.

Job Overview

Reporting to the Warranty Supervisor, as the **Warranty/Service Technician** you will provide repair services for warrantable items in residential homes as well as arranging and scheduling trades to ensure delivery excellent service to exceed customer expectations.

Your day-to-day responsibilities will include:

- Coordinating with the Warranty Team to arrange or schedule customer appointments and provide details on resolution of deficiencies.
- Completing required repairs and quality control inspections or arranging and scheduling trades to complete repairs.
- Accompanying trades on service calls when required, documenting and notifying the Warranty Team of any back charges to be applied to trades.
- Negotiating a mutually agreeable solution for all parties involved to resolve customer concerns and trade disputes.
- Working safely and following all health and safety policies and procedures.

As our ideal candidate, you are...

- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- An active listener; you seek to understand and listen to others in a non-judgmental way.
- Mindful; you respect diversity and deal with sensitive situations using high degree of integrity.
- Excellent service oriented; you handle relations with customers, internal and external parties with tact and diplomacy.
- A creative problem solver; you think outside the box for solutions without fear of failure.

Essential Requirements

- High School Diploma, or equivalent.
- Minimum 3 years of relevant home repair experience and demonstrated hands-on skills in general construction practices.
- Valid driver's licence and access to a reliable vehicle.
- Satisfactory verification of criminal record check.
- Direct experience using carpentry related power tools, hand tools and equipment.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 50lbs.

Preferred Requirements

- Prior experience working in construction warranty service is preferred.
- Basic knowledge of construction practices is preferred.

What We Value

- Creating trusting and successful working relationships.
- Taking responsibility for the outcome of decisions and actions.
- Cooperating with team members in an open, supportive and respectful manner.
- Setting clear, measurable and achievable goals.
- Consistently meeting customer expectations.
- Staying current with technical job skills.

Working Conditions

You primarily work in and travel between customer homes during regular business hours, Monday to Friday 8:00 am to 4:30 pm. Work has exposure to noise from equipment/machinery as well as dealing with inclement weather and dust. Overtime may occasionally be required.
