

Title: Production Manager

Location: 55 Furniture Park (Door 39) Winnipeg, MB R2G 1B9

At Cornerstone Kitchens and Closets, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and employee discounts.

Job Overview

Reporting to the Vice-President as the **Production Manager** you play a key role to ensure monthly and yearly budgets are met by assisting to set production capacities, ensuring production levels are met and overseeing the company Quality Assurance program. You ensure kitchen cabinets and closets are manufactured in an accurate, efficient and safe manner. You also lead and plan priorities and workflows to continuously improve processes, tools and machinery.

Your day-to-day responsibilities will include:

- Planning, organizing, and overseeing daily production activities for manufacturing. Adjusting schedules to meet objectives and ensuring communication to team members is clear and concise.
- Ensuring production schedules are met while maintaining quality, efficiency, and cost control.
- Reviewing and organizing department staffing, maximizing output, quality and efficiency while providing a safe and engaging working environment. Collaborating with the Shop Supervisor to implement changes and measure outputs.
- Providing ongoing training and development, supervision, and guidance to team members.
- Ensuring proper storage, handling and relieving of inventory to ensure accurate on hand information is maintained.
- Monitoring and maintaining efficiency levels against baselines established with Vice-President.
- Overseeing use and care of machinery, technological tools, and production software.
- Provide pre and post-sale technical support and consultation for customers.
- Liaising with Quality Control staff to resolve quality control issues in a professional and timely manner.
- Ensuring production and quality control processes follow company guidelines and providing a feedback to other departments.
- Promoting a safe work environment and ensure compliance with environmental health and safety programs.

As our ideal candidate, you are...

- A strong communicator; you clearly express your thoughts in conversation as well as write and present in a persuasive and influencing manner.
- An active listener; you seek to understand and listen to others in a non-judgmental way.
- A creative problem solver; you think outside the box for solutions without fear of failure.
- A leader; you attract, retain, develop or improve the skills of others through effective coaching and guidance.

Essential Requirements

- High school diploma, or equivalent.
- Minimum 3 years of Production Management experience in a people leadership capacity, preferably in cabinetmaking, millwork, woodworking, or a related industry.
- Strong knowledge of kitchen cabinet construction, materials, hardware, and manufacturing processes.
- Valid driver's licence and access to reliable vehicle.
- Satisfactory verification of criminal record check.
- Proficient in Microsoft Office Programs (Outlook, Word, Excel, PowerPoint, SharePoint and Teams).
- Experience with production and inventory software.

Preferred Qualifications

- Training or experience in lean manufacturing processes is an asset.

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Staying current with technical job skills.
- Consistently meeting customer expectation.
- Taking responsibility for the outcomes of decisions and actions.

Work Conditions

You primarily work on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Overtime may occasionally be required.

About Us
