

Ebury What borders?®

Financial solutions to simplify International Trade

ebury.ca | info@ebury.ca

Ebury is a financial services company, specialising in international cash management solutions including cross-border payments, FX risk management and business lending.

Our unique product offering helps businesses prosper and grow in a highly competitive environment by eliminating boundaries and making international finance simple and universally accessible.

Why Ebury?

- Unlike other financial service providers, we've built our technology to give a secure end-to-end payment infrastructure, developed extensive partnerships to provide global reach and diversified our solutions to support the growth of our clients.
- To date, Ebury has helped over **49,000 organisations** worldwide transact faster and smarter in over **130 currencies** processing over **\$23 billion** in the last 12 months.
- Whether you're an importer or exporter, an NGO, an e-commerce platform or a service provider, our solutions are designed to create a seamless international finance process.

Our Products

Ebury provides a unique combination of lending, currency and payment solutions to meet the needs of international businesses and accelerate their growth.

Businesses can use our **FX Risk Management** solutions to protect their margins from currency fluctuations. We offer:

Forward Contracts: 0% deposit credit lines and the possibility to hedge exotic currencies

Trade Finance: our lending solutions provide you with credit to finance international and domestic receivables or payables

Collection accounts: collect funds globally

Ebury Online: easy and secure account access to our innovative online platform to manage your business

\$0 Set Up and Account Maintenance

Business lending: up to 150 days flexible credit

These products are backed by excellent customer service, with your own dedicated dealer to ensure the solution is tailored to your needs.

Security and Regulation

Protecting your funds from unnecessary risk is our primary goal and this governs the way our business operates.

FINTRAC Regulated
